MONDO Track & Field Facility

Located in Concord, North Carolina, the state-of-the-art Jay M. Robinson MONDO Track & Field Facility features a Mondo Super X 720 Track and Field surface, the most durable practice competition track system in the world and the recommended surface of the World Athletics (formerly known as IAAF) and Paralympics.

ABOUT MONDO

Mondo is the global leader in the track and field and indoor sport flooring market, with more than 1,100 of the company's track surfaces installed worldwide. Hundreds of prestigious track and field competitions have been held on Mondo track surfaces around the world and in the U.S., including numerous NCAA Division I, II and III, junior college and USATF championships, and more than 300 world records have been set on Mondo's track surfaces.
